

"Knowledge is the currency of the 21st century." - Unknown

**Personal Profile** Bilingual developer who takes pride in his ethics and morals. Specialized in responsive web development and motion graphics. Always make sure to think outside of the box while keeping in mind what is inside and likes to find better algorithms for every day tasks.

## Professional Experience

Oct 2013 - Present **Factory EStores** - Currently hold the position of Front End Web Developer at Factory EStores. A furniture store that got top 50 fastest growing ecommerce sites on 2012. Cleaned up imperfections, optimized the speed of their magento store, create graphic assets for various sales, translate the site into spanish and finally re-designed their responsive store and way the customers buy from the ground up. FactoryBunkBeds.com

May 2012 - Feb 2013 **Short Stop Studios** - Held the position of Senior Web Designer at Short Stop Studios, a small multimedia company that focuses on film. After my arrival they were able to offer multimedia packages that included websites and have someone with studio equipment allowing them to do a broader set of tasks.

September 2012 Web designer for site expansion and video upload to "realtalkwithkietta.tv/pages/THEEXCLUSIVEINTERVIEW.html". Expanded the site by adding one tab to their existing site. Fixed minor inconsistencies with the site, including backgrounds, and exceeded their expectation by adding a much more modern way to view the videos.

July 2012 Website designer and developer for client "PillowFix.com". Hand coded the site as well as the PHP script for the forms, helped shoot the product picture included in the site and helped out the client by making extra assets for the company's website.

August 2012 Video effects creator for the artist "Links" music video. Collaborated on the production of a promotional 30 second video to launch the artist Links' music video titled "Putin' in Werk". Designed the 5 second motion graphic piece that promotes Links as an artist. I was also set hands and lightning for the shoot of the music video of the song "Putin' in Werk". Worked and set up lights according to the shot we wanted to achieve.

January 2012 **Allon Music Group** - Freelanced work, designed a 5 second promotional motion graphics bumper for artist "Bailee Moore" and properly uploaded her first music video featuring her brand on the release date. (Broke 1 Million views)

**Education** Bachelors in Science in Digital Arts and Design 2013 - Full Sail University, Winter Park, FL.

**Honors and Awards** Our Film "Knock Knock" by Short Stop Studios was nominated for 10 out of 13 awards and got "Best use of character" and "Audience award" as well as runner up for best film in the 48 hour film project Orlando 2012.
